PROJECT

C Programming Club (Android App)

Solo Project • github.com/ShubhadeepKarmakar/cprogrammingclub • May 2023 – June 2024

- Developed a C language learning app in **Kotlin (MVVM, Hilt)** featuring video lectures, quizzes, notes, and real-time community chat using **Appwrite Cloud**.
- Built custom in-app community chat from scratch with **Appwrite Realtime**, and implemented interview prep with 100+ questions and certificate generation.
- Resolved challenges with OAuth integration, video playback alternatives, and managing coroutine concurrency.
